

Amici's Christmas Booking Pre-Order Instructions 2026

Amici Restaurant warmly thanks you for choosing us to celebrate your Christmas party. To help us provide the best possible service, please collect your guests' menu choices in advance using the pre-order form provided. Simply enter each guest's name and select their chosen dishes, together with any relevant allergy or dietary information, using the drop-down options provided. Once completed, the form can be returned to us in person or by email.

To help your celebration run as smoothly as possible, we have included a few useful guidelines below. If you have any questions or concerns, please do not hesitate to contact us.

Pre-Order Guidelines

- All guests are required to order from the same Christmas menu unless prior approval has been given by management.
- Please submit your group's completed pre-order at least 96 hours (4 days) before your booking.
- Please ensure any allergies, intolerances or special dietary requirements are selected or clearly noted against the relevant guest on the pre-order form.
- Once your pre-order has been submitted, please contact us as soon as possible if any menu choices need to be amended. Changes requested close to your booking cannot always be guaranteed.

Deposit Information

- To secure your booking, a non-refundable deposit of £15 per person is required.
- Deposits can be paid by debit or credit card over the phone or in person at the restaurant.
- Bookings will remain provisional until the required deposit has been received, and failure to pay may result in your table being released for other guests.
- All deposits paid will be deducted from your final bill on the evening.

Large Parties (8+ Guests)

- For service efficiency, larger groups may be seated across smaller tables of around 10 guests each. Wherever possible, these tables will be positioned next to one another to allow easy interaction while helping us provide smooth and efficient service.
- We kindly ask all members of larger parties to be considerate of other diners and our team. Amici Restaurant operates a zero-tolerance policy towards aggressive, abusive or anti-social behaviour.
- We do not provide individual or separate bills and can split the total bill a maximum of two ways.
- We kindly ask that guests organise and settle payments at the table rather than at the bar or till area.

Time of Booking

- Please respect your allocated booking time and encourage all members of your party to arrive promptly.
- On rare occasions there may be a short wait for your table. We appreciate your understanding and patience while we prepare everything for your party.

Drinks Information

- Amici Restaurant will be happy to serve drinks directly to your table. Drinks will be added to your main bill and settled at the end of your meal by cash or card.
- To help us provide efficient service for larger parties, individual drinks cannot be paid for separately at the bar.
- Selected drinks such as pitchers, wine, prosecco, champagne or cocktails can be pre-ordered in advance and included on your final bill. Please let us know if you would like to arrange this.

Alterations & Cancellations

- If you need to cancel your reservation or change the number of guests, please contact the restaurant as soon as possible during business hours, or leave a clear message on our voicemail.

- All deposits are non-refundable and cannot be transferred to another booking or date.
- Any cancellations or reductions in guest numbers made after the deposit has been paid will result in the loss of the deposit for those guests. If another guest is taking their place within the same party, please contact us so that we can update the booking and pre-order details.
